In addition out-patients attendances numbered 1393, involving 218 minor operations.

The Committee regret to report the loss through death of their colleague, Mr. John Roughley, and express appreciation of his services.

During the year the Hospital benefited as follows :—

(1) Donation of £500 from Dr. and Mrs. R. Calvert Crooke. for endowment of Cot to be named the "Crooke-Williamson" Cot, in memory of their parents.

(2) Legacy of £500 from the late Margaret Williamson Allan.

Grateful acknowledgment is made of these handsome gifts.

ASSISTANT HONORARY TREASURER.—Owing to continued ill health, Mr. Joseph Bleackley has been compelled to relinquish this appointment.

His resignation has been accepted with very much regret, and the Committee desire to place on record their appreciation of the great services he has rendered to the Hospital for so many years, and to note particularly the loyal and cheerful spirit in which his duties were invariably carried out.

MERSEYSIDE HOSPITALS COUNCIL 1d. in the £ CONTRIBUTORY SCHEME.—This has been actively developed during the year and is now getting fairly well established.

Our Hospital has received from the Central Fund the sum of £370, which amount the Treasurer considers practically covers what has been lost from direct contributions owing to our participation in the scheme.

With this result, and the knowledge that the scheme is likely to benefit considerably the larger hospitals of the City, your Committee are well satisfied.

Whilst primarily intended for raising funds, it is hoped that the working of the scheme may tend to closer co-operation of all the Voluntary Hospitals on Merseyside and that the statistics made available through co-ordination will prove very valuable to all concerned.

NEW WING.—This question has been receiving careful consideration, and a Sub-Committee has been appointed to investigate the matter in all its bearings and report.

FINANCE.—Lists of Donations and Subscriptions and Statements of Accounts for 12 months ended 31st December, 1928, duly audited by Mr. Edward J. Deane, are appended.

From these it will be noted that the financial position continues highly satisfactory.

Once more thanks are rendered to the Garston Charities Committee for the following Donations :—

Proceeds of Ball	.....	£75
Proceeds of Flag Day	.....	£44

And it remains only to thank most heartily the Donors and Subscribers, the Medical Board, the Clergy, the Matron and her Staff, all in fact who have contributed in any way to the welfare or the working of the Hospital.

The Committee are very grateful for the full and generous support accorded.

The provisions of “The Mortmain and Charitable Uses Act,” (54 and 55 Vic., c. 73) render it no longer necessary to adopt the special form of bequest, which has hitherto been printed in these Reports. Any ordinary form of bequest may now be used, such as the following, viz. :

*“ I give and bequeath unto the Treasurer, for the time being, of the Sir Alfred Jones Memorial Hospital, Garston, the sum of .....*  
*.....*  
*to be applied towards the general purposes of the said Hospital.”*

If a Testator wishes the Charity to receive the Legacy free from duty, he or she will please to add :

*“ And I direct the said last-mentioned legacy to be paid free from Legacy Duty.”*

---

NOTE.—The Will must be signed in the presence of two witnesses (both being present at the same time) who must sign their names in the presence of the Testator and of each other and add their addresses and description.
